Letter-join Break

with alternative letterforms for 'f' and 'k'

a b c d e f f g h

i j k k l m n o p q

r s t u v w x y z

The quick brown fox
jumps over the lazy dog.

Letter-join Break

with alternative letterforms for 'f' and 'k'

a b c d e f f g h i j k k l m
n o p q r s t u v w x y z

The quick brown fox jumps
over the lazy dog.

The letter shapes used for Letter-join Break will be familiar to teachers who are familiar with break letters.

- letters that end on the left do not join to the following letter.
- unlooped 'open' descenders, the long f, j, g and y, do not join.
- q, x and z do not join.

For teachers currently using break letters to teach handwriting

The Letter-join Break font is perfect for teaching handwriting with break letters using Letter-join's supporting resources.

A new font option for teachers currently using Letter-join

Letter-join's new Break font offers teachers an extra handwriting font which naturally progresses on from using the Letter-join Print Plus font.

Letter-join's Break letters

Unlooped descenders that end on the left

g f j y

Letters that end on the left

b p s

Other break letters

q x z

**Unlooped, 'open' descender letters
do not join to the next letter**

g f j y

jangly fox

Descenders are unlooped and do not join to the next letter.

Letters that end on the left
do not join to the next letter

b p s x

sixty pebbles

Letters that end on the left have joins to them, but not from them.

Other break letters that do not join

You do not join
to the letter z

squeeze

You do not join
from the letter q

You do not join
from the letter z

Animated example

bright sun

Tricky letters

The Letter-join Handwriting Scheme models the challenging double letters and other joins.

mirror

passes

fluffy

dizzy

Individual style

Children may develop their own style where their handwriting naturally joins certain letters.

exits squeeze

If this is the case they can continue to do this as long as their handwriting is legible.

Example

Joe and Jess the fluffy little baby foxes squealed joyfully in the bright sun and swiftly became very dizzy.

Vibrant stars appeared and they enjoyed a quick sixty second doze.
